Gruff
“The Giddy Goat”

Measurements:
Approximately 9” tall sitting, 12” tall standing, and 6.5” wide

Materials:
Worsted Weight Yarn in Black, Dark Gray, Gray, and White
2 – 12mm Safety Eyes
4.5mm Hook
Polyester Fiberfill or other Toy Filling
Yarn Needle
Stitch Marker

Design Notes:
I used Caron 1lb for this pattern. I find this worsted weight yarn to be thicker than other worsted weight yarns. If using any other brand, I suggest using a 4.0mm crochet hook or smaller. You can use any yarn weight and appropriate hook to create this pattern. This will affect the size of your finished piece. Amigurumi does need to be crocheted tightly so the stuffing does not show through. If using a different yarn weight, make sure to use a smaller hook than the yarn recommends. In addition, safety eyes can be considered a choking hazard. If you intend on giving this doll to a child under 3 years old, it is highly suggested you use yarn eyes in place of the plastic safety eyes.
This pattern is made in continuous rounds. Place a stitch marker in the first stitch of each round as you progress through the pattern.
